

## Financial Analyst

RMG, The Risk Management Group (“RMG”) is a Geneva based firm specialised in advising clients on the selection, structuring, implementation and monitoring of both asset and liability solutions.

Founded in 2004, RMG offers UHNWI, family offices, public institutions and non-profit organisations in-depth advisory services of audit, management, structuring and reporting of their financial profile. In particular, RMG provides expert guidance on issues involving the sourcing, implementation and monitoring of debt and direct investment solutions.

Real estate and Lombard loans used to finance income generating investments represent an important share of RMG’s advisory activity. RMG has built a strong franchise collaborating with pension funds and banks to develop proprietary lending solutions suited to the needs of its clients. Derivatives are often used for hedging purposes.

Real Estate, Private debt and Tangible Assets are an important part of RMG’s direct investment activity. RMG has built a strong franchise sourcing, structuring unique opportunities in these areas.

RMG is looking to strengthen its execution and advisory capacities by hiring a motivated full time analyst with proven experience in capital markets, derivative and private market transactions.
